

The SmartPak™ Pharmacy Dog & Cat Product Information Sheet

Cephalexin

NOTE:

This product is FDA-approved for use in humans only. Using this product in animals is considered extra-label drug use and is permitted when a valid veterinary-client-patient relationship exists and a prescription has been written. Follow your veterinarian's instructions carefully when using this product.

You may be sent an FDA-approved generic drug that may be manufactured by more than one company. Therefore, the product you receive may not always have the same label, color or shape.

How Supplied by SmartPak – Cephalexin is available in 250mg and 500mg capsules in 100-count bottles.

Category – Cephalexin is a semisynthetic cephalosporin antibiotic intended for oral administration.

Indications (Uses) – In humans, Cephalexin is for the treatment of infections caused by susceptible strains of microorganisms.

Dosage and Administration – Follow your veterinarian's instructions.

Contraindications – Cephalexin is contraindicated in patients with known allergy to the cephalosporin group of antibiotics.

Human warning – Keep out of reach of children.

Additional Warnings, Precautions, Drug Interactions, Adverse Reactions (Side Effects) and Contraindications – See package insert.

Storage Conditions: Store at controlled room temperature (68-77F).
